Choosing pheromone perfumes in the market, make sure that the product pleases you in the first place. There is no sense of picking a scent whose smell does not define your character. Also, do not ride in for the fashion bandwagon. Just because this celebrity endorses this signature fragrance does not mean that it works well with your body. We have unique responses to scents, and sometimes, what smells good in other people does not work with us, and what smells good in us may not be pleasant when worn by other people. In your visit to the perfume shop, check the product, check whether the scent stays the same after half an hour or so, and decide whether you still like the way it smells by then.

All Started Because Her Favorite Perfume Was Discontinued

Jane started to study chemistry and learn the internet so she could read everything discussed in perfumery. The lady bought a computer and taught herself how to use it. Finally she mixed a perfume. People began to ask her what she was wearing. So she started an internet business, House of Rose, with one rose fragrance. Today she has more than 55 long lasting, non alcohol perfumes at www.houseofrose.com.
